## Frequently asked questions

**Can we bring in our own food?** Outside food or drink are not allowed in Duneland Falls Banquets unless confirmed in writing by catering manager. For example, when enjoying the benefit of the bridal suite or man cave, additional food, drinks, beer... are not allowed. If there is evidence that food has been supplied by someone other than Duneland food catering, there will be an immediate loss of security deposit. The extreme importance of this rule is to protect Duneland Falls catering from the liability of food poisoning while on Duneland Falls property.

**In regards to the first question, can we bring in our own cake?** Yes, we allow cake (wedding, birthday, retirement...) and candy buffet if all of these are purchased from a licensed company.

**In regards to bringing in beer, wine & liquor, what are the consequences if this happens by my guests, am I responsible?** Yes, they are your guests, you have invited them. We will politely ask them to put all restricted items away in their vehicle. After the first request, we reserve the right to ask them to leave the property or shut down the entire event. We do not give any flexibility in this area since intoxication can be a very dangerous liability for any company. The purpose for bartenders is to happily serve you and your guests while monitoring age restrictions and levels of intoxication. Please take this seriously so that you aren't faced with embarrassing consequences.

**Is there a charge for extra tables that I may need for my event?** Extra tables for things like DJ, photo booth, silent auctions, and candy buffet... are not an additional cost. Although, depending on the specific need of linens, there may be an additional cost.

**If we want to decorate ourselves, can we do that?** Yes, you are welcome to decorate although hanging items from the ceiling, walls, balcony and similar are not allowed. We suggest that you discuss your ideas to confirm that you are within guidelines.

**If we choose to decorate ourselves, can we do this the day before or the day of?** That answer is determined by our schedule of events. We usually have events on Friday, Saturday and Sunday. If the day before your event is available for your decorating purposes, we will certainly allow you to use the time wisely. If it isn't, decorating will have to take place no sooner than 1 pm on the day of your event. If we are able to give you more time, we will make an effort to do so.

**Can we hire a company or will your staff set up our decor if we don't have time to do it ourselves?** Yes. We will happily access the work and price the request. Typically, we encourage you to make it as simple as possible by presetting all decorations as much as possible in an effort to save you money. The more we have to do (assemble and such) the more the cost. As you know, "time is money."

**Do we have to clean up the night of our event?** Yes. Please make arrangements for help when doing so because your limit on clean up is 1 hour. We encourage breaking down some decor within 30 minutes of your event ending or planning for additional help. If clean up is longer than one hour, \$200 of your security is lost and an additional \$40 per hour is deducted from your security deposit for each additional hour. Partial hours will count as a full hour. This is a policy that is strictly enforced. Please take heed. Any left items are considered unwanted and disposed as we see fit.

**In regards to the question about clean up time, are we responsible for vendors or guest that take longer than an hour?** Absolutely, they are considered a guest of yours and your security deposit is at risk if they exceed an hour in leaving the premises.

# Wedding Flowers

## *Fresh flowers or Quality silk flowers*

Schedule a complimentary flower consultation at Duneland Falls.

Weddings by Angelique was the former own of Hobart Floral in 1998. Her attraction to wedding flowers inspired her to open a full service wedding company. Consider getting your flowers from Angelique and save time, money, planning, delivery charges....

Bridal Bouquets – We take the time to measure you and help you determine what size bridal bouquet looks best on your body **without** covering up your BEAUTIFUL dress! We also discuss a few important questions:

1. What if the flowers that I like aren't in season?
2. Can I personalize my bouquet with sentimental broaches, handkerchiefs... that belonged to my mom or grandma?
3. How can I preserve my bouquet?
4. What if I'm allergic to some fresh flowers but my heart is set on **fresh**?
5. ***Is there anyway I can see my bouquet ahead of time???***

### Bridesmaids

1. Which flowers cost more compared to others?
2. Which style or size would look best in a vase on your head table afterwards?
3. How can I save money on flowers since I have such a big bridal party?
4. If I choose silk flowers, will they look cheap?
5. Do some flowers wilt faster than others when out of water?

### Corsages & Boutonnieres

1. Should you use color or keep them neutral?
2. What's best: pin-on or wristlet?
3. How does a boutonniere differ from a corsage?

**Don't let flowers be a big expense if you can avoid it!**

## Discounts are time sensitive

1. When you book your ballroom, you now have a “booking date.”
2. Schedule your design consultation
3. Consider your discounted prices
4. Reserve flowers & décor within 60-90 days of your booking date in order to receive discount on flowers & décor. \$1,000 deposit required. (All deposits are non-refundable/non-transferable)

**Formula to figure counts:** We seat 8 per table, accommodations to this must be requested. To calculate table count: Begin with total head count, deduct head table count. Divide remaining guest count by 8 (we seat 8 per table) then round up because we cannot set a partial table. Example: 260 guest count. Minus 10 at head table. Equals 250 guests. Divided by 8= 31.25. = 32 tables.  
It is mandatory if you choose an open seating option to add 2 more tables/16 chair covers to your count. Table linens/centerpieces: multiply price of item by number of tables. Chair covers: multiply number of tables' times 8 then add head table count and any other chairs that need covering

**Late Fee: 10% of total order (before deposit) is incurred on final payments. Refer to due date on your contract. Client is entirely responsible for final payment being made on time.** Prices are subject to change at any time without notice however, prices will not change on products/services once they are held with deposit. You are not required to purchase all of the categories above. This is an example of prices and various items that we offer. # Weddings by Angelique Design Policy/Agreement for Duneland Falls

All deposits are non refundable and non transferable.  
These policies are subject to change without notice.

Your first consultation with us is complimentary. This includes thoroughly discussing your event, choosing colors, rentals and fabrics for your category selections. We attempt to address any questions or concerns you may have at that time. We are also available to answer questions along the way. We take pride in our efforts to match your colors however; we can never guarantee an exact match. Different fabrics, dye lots as well as designers will have their own version of each color. Please, be aware colors or shades may vary.

**Deposits for clients utilizing 20% and 10% discount:** Our affiliation with Duneland Falls along with retaining our services well in advance allows us to offer you special benefits. (Our standard deposit is half (1/2) your total balance (after tax). However, since you are taking advantage of our time sensitive discounts we are allowing these clients to put down a minimum deposit of \$1,000.00 to hold the items of your choice. This is due within discount timelines. Deposits are used to reserve items, dates and discounts you have chosen. We are committing to hold these items and this date which means that they are not available to anyone else. For this reason, these deposits are **non-transferable** (cannot be used for any other items or dates) and **non-refundable**. If your event is postponed, changed or canceled for any reason your deposit will be retained by Weddings by Angelique as payment for sales and or monies lost due to reserving these items and date.

**Cancellation of individual categories:** If at any time or for whatever reason you cancel a category from your original list after you have put down your deposit, you are still responsible to pay for ½ of that category total. Because Deposits are used to reserve the items you have chosen as well as the date you have chosen. We are committing to hold these items and this date which means that they are not available to anyone else. For this reason, if any category cancellation occurs you forfeit whatever deposits you put down and you still must pay for half the amount of each category canceled. These will be paid to or retained (whichever is greater) by Weddings by Angelique as payment for sales and or monies lost due to reserving these items and date.

**Deposits for special order items:** are retained separately. If we are special ordering items for your event it requires more time and can involve much research. For this reason the full balance for any special order is due thirty (30) days after deposit is made and these monies are **non-transferable** and **non-refundable**. If the special order is canceled for any reason your deposit (or full balance) will be retained by Weddings by Angelique as payment for sales and or monies lost due to purchasing these items in advance.

**Rentals being held –** We understand you cannot give an exact count this early in your planning. However, it is very important to calculate the most accurate count possible when holding rentals. Chair covers for instance, are based on your guest count. We do allow a 25 count leeway with no penalties/loss of deposit provided we are informed of the change **21 days or more** before your event. If you hold 200 chair covers for your event, but only need 175, there will not be any loss of deposit if you inform Weddings by Angelique 21 days before your event. However, you will be charged for 200 chair covers if we are notified less than 21 days before the event.

In addition to making any count changes, you are allowed to lower your original rental count by 25. For example, if you ordered 200, and your final head count is 165, you will be responsible to pay for 175 chair covers. For this reason, we ask that you give us a head count that is as realistic as possible. On the other hand, if you choose to add-on more than 200 chair covers, we will make every effort to insure that the additional chair covers match exactly. We cannot guarantee this if the products were not previously held.

**Final payment:** is due three weeks ( 21 days) before your event. (**For ordering purposes.**) Please note that it is your responsibility to calculate the 21 days and to make sure that you are taking into account the days we are closed or unavailable. All final counts are to be given at this time as well. Any counts changed within 20 days of your event will result in you (the client) being responsible for payment of items as they appear on our original paperwork. These become your minimums. (EXAMPLE: If at your consultation you tell us you need 200 chair covers and then inform us any less than 21 days before your event that your final count is 150, you are responsible for payment of the original 200 chair covers.) Please plan in advance since 21 days before your event may fall on days that we are unavailable. If you are not able to verbally contact us 21 days before your event, please email us or leave a voice message. Either of these will be dated and will vouch that you met the 21 day deadline.

**Late Fee:** 10% of total order (before deposit) is incurred on final payments Client is entirely responsible for final payment being made on time.

**We are available to accept payments**

**Any add on orders:** that are over your category count will be priced at their current market value as of the date they are ordered.

**Full Service Rentals –** When Weddings by Angelique is decorating for you. Current, valid credit card information is required for all rentals as you (client) are responsible for any and all damage or loss of property to Weddings by Angelique while rented items are in your possession or are being used by you and your guests. If damages occur client will be notified of the total damage/loss amount due and agrees to authorize a one - time charge for that amount. We reserve the right to process payment for damages/loss to the account information that was provided to us. These policies are subject to change without notice.

**Do it yourself Rentals -** A deposit is held until all items are returned in the same manner and condition in which they were taken. Items taken on hangers **must** be returned with the same fold and hung on hangers. Credit card information is required for all rentals as you (client) are responsible for any and all damage or loss of property to Weddings by Angelique while rented items are in your possession. Return of held deposits will occur 24 to 48 hour after items are returned once items have been inspected. If damages occur client will be notified of the amount due and agrees to authorize a one - time charge for that amount. We reserve the right to process payment for damages to the account information that was given to us. Any rentals must be returned the first business day that we are available after your event. They also must be in the same manner and condition as you receive them or charges will occur. These policies are subject to change without notice.

We are not responsible for any flowers that are picked up by a client once they leave our premises. We advise they be **kept refrigerated** until your event. Please, **do not** leave fresh flowers in hot cars or extreme heat as they will wilt and discolor.
